

Effin Bits LLC Sells or Rents Bits

A new bit company with headquarters located in Plainville, Kansas has been formed. **Effin Bits LLC** specializes in the sale and rental of workover and rotary bits. **Justin R. Prater** is managing agent and **Kory Pfeifer** is a partner.

“With two decades of workover drilling experience, including open hole and cased hole re-entry and well deepening, we can get the correct bit for the client’s application.”, said Prater.

For more information , contact Justin Prater on cellular at 785-432-0861 (24/7), or office at 785-688-4185, or E-mail prateroil@gmail.com. Office mailing address is 905 N. Washington, Plainville, KS 67663.
