

Hurricane Services, Inc. Opens Garnett Facility

Hurricane Services, Inc. (HSI), an oilfield service company headquartered in Wichita, Kansas, has recently expanded its operations with the opening of a service camp in Garnett, Kansas. The camp is located at 104 Prairie Plaza Parkway. HSI has been serving the oil and gas industry in Kansas since 1996. They also have operations in Madison, Kansas which offers full well servicing, cementing, acid stimulation, hydraulic fracturing and trucking services.

With the opening of the new Garnett camp, HSI will be capable of handling additional cementing requirements, as well as, meet larger, more complex hydraulic fracking needs for their clients. **Joe Samuels** serves as General Manager over both camp sites. **Terry Bowman** serves as Camp Manager in the Garnett facility. For more information please contact **Kevin Miller**, Sales Manager, 785-448-8706 or toll free 855-718-8027.
