

New 2013-14 Red Book Now Available

19th Edition of the Independent Oil & Gas Directory of Kansas

The new **Independent Oil & Gas Directory of Kansas**, more commonly referred to as "*The Red Book*", is now ready for distribution. This is the 19th Edition of the highly respected directory which has earned a reputation over the years for its complete coverage and accuracy of listings.

"The new updated petroleum directory features a comprehensive listing of over 4,800 individuals and oil and gas-related businesses who are currently active in the oil and gas industry in Kansas. Over 2,400 licensed Kansas operators and drillers, 830 service and supply companies, along with key personnel and contact information, is contained in the new Red Book" said **John H. Morrison, III**, publisher and owner/president of the **Independent Oil & Gas Service, Inc. (IOGsi)** in Wichita, Kansas.

The 710-page "Red Book" includes an alphabetized "General Listing" of companies and individuals by name - including address, phone and fax numbers, E-mail and Web site addresses and a brief description of type of services offered by each company. Company listings also include branch and field offices.

The directory also features a categorized "Service Yellow-page Section" with over 700 different industry services to choose from when looking for a particular type of service or support for your daily operations. In addition, a "Key-Personnel Section" cross-indexes key individuals to company affiliation and telephone number. The "Red Book" is a convenient size (5"x7") for quick reference on your desk or in your vehicle.
