

John J. Garvey Expanding Title Services into Kansas

Over 25 Years Experience in Oil & Gas Title Work

John J. Garvey, attorney at law and a member in good standing in the Oklahoma Bar Association since 1981, announces he has expanded his title work practice to serve operators in Kansas. With over 25 years experience in the oil and gas business as a title lawyer in Oklahoma City, OK., Mr. Garvey has spent the past four years devoted primarily to authorship of hundreds of Drilling Title Opinions covering Woodford Shale prospects in Canadian County and other locations in Western Oklahoma. He now offers his expertise to those working in Kansas.

Mr. Garvey provides timely, relevant counsel to his clients with quick turnaround time and low costs for services, he stated. "My legal work centers upon detailed title work, and authorship of Drilling and Division Order Title Opinions. I know Title. Additionally, I provide support to land departments in the calculations of proceeds on producing wells, review contracts, operating agreements, lease and company acquisitions, exploration and production activities, lease analysis, poolings, unitizations, negotiation and settlement of surface damages, geophysical operations, and resolving royalty owner and working interest owner issues.", he said.
