

Vanguard Petroleum LLC has Staff Appointments

Vanguard Petroleum LLC is pleased to announce that David A. “Andy” Kemmer and Monica (Turner) Williams have recently joined Vanguard’s exploration and management team. **J. Paul Jennings**, the founder of Vanguard, will continue to be actively associated with the company as a consultant.

Andy Kemmer, Vanguard’s President / CEO, received a Master’s Degree in geology from the University of Missouri-Columbia with study at the Institute of Geochemistry, University of Gottingen, West Germany. His industry exploration and management experience includes six years with Shell Oil Company in New Orleans as an exploration geologist in the offshore Gulf of Mexico, six years with Anadarko Petroleum Corporation in Houston as Staff Geologist in domestic and international exploration and in Denver as Division Geologist for the Rocky Mountain and Midcontinent regions, and two years with Petroleum, Inc. in Wichita as Vice President of Exploration in the U.S. and Canada. Andy founded Canyon Energy, Inc. in Wichita in 1993 with exploration and production activities focused in western Kansas and several basins of the Rocky Mountain and Midcontinent regions.

Monica Williams, Vanguard’s Vice President of Exploration, received a Bachelor of Science degree in geology and a Master of Science in Earth, Environment and Physical Sciences from Wichita State University. While attending Wichita State University, she authored, or co-authored a number of publications and presentations related to the geology of Kansas. Monica has been employed as a staff geologist by a Wichita based independent oil and gas exploration and production company for the last 8 years.

Vanguard Petroleum LLC office is located at 155 N. Market, Suite 200, Wichita, KS 67202 and can be reached at (316) 265-6800.
