MAR. 15 - 18 Tulsa, OK.

Land Administration Workshops - (LANDFOCUS Oil & Gas Training, LLC.)

When: Monday - Thursday, 8:00 a.m. - 4:30 p.m.

Place: Hampton Inn Tulsa, 7852 W. Parkway Blvd.

Two Events: March 15-16 - "Fundamentals of the Leases and Title Ownerships": Basics about land descriptions including platting and acreage calculations, estates in land, the types of property ownership and how to read and understand oil and gas lease provisions. Concepts of full-interest and partial-interest leases, as well as overlapping acres and basic lease record tracting.

March 17 - 18 - "Advanced Leases and Title Ownerships": Recommended for those with at least two years land administration experience or who have attended first workshop mentioned above. Learn analytical differences between fee, state and federal oil and gas leases; surface, easement and right-of-way leases; protection leases; top leases. Also includes advanced legal description issues, effective methods of tracting both surface and depths for accurate company records and concept of cross-referencing.

Cost: \$450 per workshop

To register: For more information, visit www.landfocustraining.com
