

## Hurricane Services Acquires Hill City Well Service

Effective August 1, 2015, **Hurricane Services, Inc.** of Wichita (KS) has acquired the Hill City Well Service and Roustabout operations from Murfin Drilling Company, also of Wichita. The merger adds a new Hurricane Division Office in Hill City, Kansas to expand their acidizing, fracking, cementing and hydrostatic testing services to the Western Kansas area. The company also maintains a Well Services Division Office in Madison and a Field Service Camp in Garnett, Kansas to serve the eastern part of the State.

The Hill City expansion adds eleven service rigs to Hurricanes operations. Jesse Spargo will remain as Roustabout and Well Service Superintendent, along with foremen Theron Bruning, Lee Rein and Paul (PD) Williams. Contact the Hill City office for scheduling your next job at 785-421-2103.
