

The Kansas Independent Oil and Gas Association ("KIOGA") has announced that the exclusive KIOGA Buyers' Guide (the "Guide") — the premier resource of relevant products and services for oil and gas professionals — is now available at the KIOGA website at www.kioga.org.

KIOGA partnered with Overland Park, Kan.-based Strategic Value Media, a leading nationwide provider of print and digital media solutions for national, state and local trade and membership associations, to produce the Guide. KIOGA is proud to provide its members with this useful and easily accessible year-round resource.

"This comprehensive Guide offers access to a vast network of industry suppliers," said Ed Cross, President of KIOGA. "We are very pleased with the fine work SVM has done with this Guide which we anticipate will now greatly assist industry professionals in making educated purchasing decisions throughout the year. The response to this Guide by the industry has been nothing short of outstanding."

The 2016 version of the Guide features updated and expanded company and product listings, in addition to other valuable information relating to the oil and gas industry. The Guide provides KIOGA members and other industry professionals with an efficient way to browse for goods and services. The Guide also offers oil and gas suppliers and companies exceptional visibility by showcasing their products and services to a targeted, industry-specific buyer group.
